01. Introduction

Hamster Token is a de-centralized meme token which was created on BSC Network. The specific feature that distinguishes it from other meme tokens in the market is that it is more powerful and secure.

The purpose of Hamster Token is to be a token that can be used globally with a vision to see Hamster Token on all exchange platforms.

Hamster Token firstly has been successfully listed on CoinGecko & CoinMarketCap. The Hamster Token team, we are continuously & endlessly negotiating with Exchange platforms and other business partners in order to benefit you, our loyal customer.

02. VALUES

TRANSPERANCY

HAMSTER COIN is decentralized and supported by a community of enthusiasts. We encourage consistent open communication and believe trust, transparency, and community are the 3 pillars to building professional success.

COMMUNITY

HAMSTER COIN is one of the fastest growing and most loved communities in crypto.

We believe that only united we are strong.

Community is everything and HAMSTER COIN strives to promote unity within the team.

TRUST

For success in business, trust is paramount. That means full transparency not only in the community and development but also in security efforts.

LONGEVITY

Hamster Coin is in for the long haul.

The decentralized community is fostering and adopting long term development and efforts which will be consistently beneficial to all involved.

03. SECURITY

- No pre-sale has been made in Hamster Coin.
- For investor security ,we have locked HAM-BNB-LP.
- There is no token amount reserved for the team in Hamster Coin.
- AUDIT confirmation is going to be taken as soon as possible.

04. ECOSYSTEM

Hamster Coins that are unlocked within certain periods of 50% of supply will be burned for Jack (CEO Twitter).

50 % of supply for pancakeswap sales has no main owner. All decisions have been taken solely in favor of the Hamster community.

The Hamster Coin strives to be useful for society and works hard to be useful for the community forever.
